

Yale Peabody Museum 21st Annual Paleo-Knowledge Bowl

Saturday, April 13, 2019

Sponsored by

Hopkins
SCHOOL

WHAT IS THE PALEO-KNOWLEDGE BOWL? The Paleo-Knowledge Bowl is a competition that tests students' knowledge of paleontology, especially dinosaurs. Teams of students work together to earn points for correct answers which will advance them in the competition.

WHO CAN PARTICIPATE? Any student who is currently in the 4th, 5th or 6th grade, or home-school students between the ages of 8 and 11. Teams must be composed of three students from the same school, and students may not participate for more than three consecutive years. Each school can enter a maximum of three teams. Participation is not limited to Connecticut schools. All contestants receive a t-shirt especially designed for the 2019 competition and a certificate of participation.

The winning team will be presented with a championship trophy for their school, and team members will receive family memberships to the Yale Peabody Museum. They will also get a behind-the-scenes tour of the Peabody Museum's paleontology collection, and each team member will receive a special prize. Second place winners will also receive family memberships, a behind-the-scenes tour, and a special prize for each team member. Third and fourth place winners will receive a special prize for each team member.

RESEARCH DAY at HOPKINS SCHOOL

Hopkins School offers all registered participants the opportunity to attend the Paleo- Knowledge Research Day at Hopkins School, 986 Forest Road, New Haven, CT, in the Calarco Library on Saturday, April 6 from 9:30-11:30AM. An online Paleo-Knowledge Resource Guide will be made available to attendees after April 5. (Directions at www.hopkins.edu)

DEADLINE for REGISTRATION

All registrations must be received by closing time (5PM) on Monday, April 1st. For more information and to register on-line, visit our website at:
